THE BLOSSOM UP:
RESHAPE
BUTTOCKS
with style and
pizzazz

BENEFITS

Enhancer Jeans makes your derriere look rounder, fuller, and overall, more attractive.

Buttocks lift jeans have a relaxed feel and fit that will keep you comfortably active.

Dark-wash denim jeans makes you look slimmer than your real size.

Boot cut style snugly fits the thighs and hips creates a balanced look.

Low rise helps you look slimmer, uplift the buttocks and slims your thighs.

Popular jeans pronounces your curves making your rear view look great.

FEATURES

This Buttocks Lift Jeans by Chiada features side stitching to give you a visual lift and a perfect fit.

Accented with distressed denim and urban design for a chic and trendy look. The wide waistband

will hide tummy fat creating a flattering silhouette.

You can wear blossom up jeans with your favorite boots or a chic pair of heels for a great

evening look.
