

MAXOGENOL™

Chewable Antioxidant

Berries are a **great source** of vitamins and phytochemicals.* In fact, berries top the charts in **antioxidant power**, protecting your body against free radicals, molecules that can damage cells and organs.* Including berries in your diet will help to **keep you healthy**.*

**Eat more berries.
Your body will thank you.***

- Nutritional superstars bursting with flavor
- Brilliant colored berries to promote good health
- Chewable, delicious and easy

Maxogenol is great for the whole family.

Minimize the toll environmental factors like stress, pollution, and sun exposure take on your body by eating a diet rich in fruits and vegetables.*

Building on research findings that show that deeply colored fruits and vegetables contain a virtual treasure trove of healthy ingredients, Maxogenol combines the most healthful berries — in a concentrated, high ORAC, high antioxidant formulation.*
