

RELASTYL™

I want
beautiful skin
with no signs of
imperfections.

Reveal a More Youthful, Radiant You!

- A rich and luxurious anti-aging treatment used by many of the most beautiful people in Hollywood
- Works to significantly reduce the appearance of fine lines, wrinkles and imperfections
- Nourish and renew delicate skin including the face, decolletage, stomach and hands

Relastyl is used by men and women.

- **Scientifically advanced**
Messenger peptide to stimulate the production of dermal matrix molecules
- **Plant extracts**
Help firm and nourish the skin
- **Nourishing hydration**
A vital component for vibrant and young-looking skin
- **Rich in essential fatty acids**
To soften and soothe the skin

For more information:

Ingredients: Water, butylene glycol, hydrogenated polyisobutene, glycerin, tricaprylin, C12-15 alkyl benzoate, cetyl alcohol, glyceryl stearate, Butyrospermum parkii (shea butter) fruit, PEG-40 stearate, sorbitan stearate, dimethicone, carbomer, polysorbate 20, palmitoyl pentapeptide-4, squalane, biosaccharide gum-1, Oenothera biennis (evening primrose) oil, Hamamelis virginiana (witch hazel) extract, Cucumis sativus (cucumber) fruit extract, methylparaben, propylparaben, phenoxyethanol, diazolidinyl urea, fragrance.

Directions: Cleanse skin thoroughly and pat dry. Apply Relastyl to face, neck, hands, chest, back of neck or any part of the body using a gentle massaging motion. Relastyl was designed as a nighttime treatment, but may be used twice daily.

Results: With the first application, your skin will feel soft and soothed. With continued use, your skin's appearance may continue to improve for up to 6 months.
